

Application Form for Bicycle Hook

Montreaux Body Corporate

164 The Terrace, Wellington 6011, New Zealand

www.montreaux.co.nz

We maintain a register for bicycles in the building and allocate hooks by number to individuals on request (not to apartments). Racks are limited and allocated on the basis of ONE per person.

Rule 11 of the BC RULES states that “*Provision of bike hooks in the basement areas means bicycles are banned from all other common areas including the main front entrance, hallways, lifts, and car parking spaces, i.e. they are not to be stored in apartments or on balconies. Bicycle security is at the owner’s risk and expense*”.

Note: Bicycles belonging to persons not resident in the building are not to be stored on site.

If you require a bicycle hook would you please complete the required details below and return to the BCC letterbox (north side of foyer) or email it to the [Building Manager](#).

An application does not necessarily guarantee a bike rack as spaces are limited. If a hook is unavailable you will be advised and placed on a waiting list. In the meantime the bicycle will need to be stored off-site.

If you sell or remove your bicycle from the building please let the Building Manager know so the hook can be reallocated.
